Sewer system inspection work to be performed in Līhu'e along Hardy, Umi, and Rice Street starting July 24

LĪHU'E – The public is advised that the Department of Public Works, Wastewater Management Division's contractor will be performing closed-circuit television (CCTV) inspections on the Līhu'e sewer collection system along Hardy Street, Umi Street, and Rice Street. The inspections will occur daily, from the evening of July 24 through the morning of Aug. 1.

Traffic may be modified from 6:30 p.m. to 2:30 a.m. The inspections consist of using a camera to inspect the sewer lines. The purpose of these inspections are to assess the condition of the sewer lines and manholes in the area.

Traffic control, using flaggers, will be implemented in the work areas.

Motorists should drive with caution, expect delays, and adjust their travel times as needed.

Anyone with questions may contact Jason Kagimoto with the Department of Public Works, Wastewater Management Division at 808-241-4083 or jkagimoto@kauai.gov.
